Postal Precision Shooting Competition

What is it:

Biathlon Canada is pleased to announce the 2011 Postal Precision Shooting Competition. This competition is open to all members of Biathlon Canada and will provide an opportunity for you to compete against athletes from across the country while promoting the development of strong shooting skills.

Shooting regulations:

You must complete all components of this competition in one shooting session. Shooting must be done on a 50m outdoor shooting range. Each shot must be single loaded. *Novice Air Rifle* will use the cadet target, while other categories will use model 151CP. One target will be used for every 5 shots on the cadet targets and one for every 10 shots on the 151 CP target. Please score your targets and write it on the edge beside your name, along with the signature of a witness and the date to confirm that you have followed all the rules of the competition. Scores will be reviewed by Biathlon Canada to ensure accuracy in the scoring process. If you require targets please contact Biathlon Canada.

Categories:

- *Novice AIR RIFLE (14 and under)* – 10p at 10m distance (score out of 100)
- *Senior Boys/ Girls and younger-.22 calibre (16 and under)* - 20p (score out of 200)
- *Youth Men/ Women and older-.22 calibre (17 and over)* – 20p, 20s (score out of 400)
