

Hi everyone!

Here are a few pictures from the Team NWT trip to Canmore! Check out the hill that Angeline is tackling (Bib 135) Yikes! It shows you what amazing athletes our biathletes are as they tackle a course as challenging as this one.....remember that it was the site of the 1988 Calgary Olympics!

The NWT Canada Winter Game biathlon team has been finalized - Joseph, Gaylen (Ft Smith), Brandon (Ft Smith) and Charlene (Ft Simpson) will represent the NWT in Halifax this February. Good luck with your training as we continue preparations for this exciting event!

Wish Joseph good luck this upcoming weekend as well - he will be travelling to Whistler in British Columbia to compete in the Junior Youth World Trails, on the same course that the 2010 Olympics were at last year! He will be in tough as he is competing against the members of the National Junior team. Will be a great opportunity for him to compare himself against some of the best Junior biathletes in the nation and to see what it takes to reach that particular skill set!

Fun practice tonight despite the temps right around the -20 C mark. Team Birthday won the relay, followed by Team Grey Lonjohns and Team The Other Guys! It was fun, and great skiing and shooting tonight. Our last scheduled practice until the new year will be on Wednesday night...

Chuck
